OSA 4006-64

26 August 1964

MEMORANDUM FOR: Executive Officer, DD/S&T

SUBJECT: DD/S&T Mission and Functions

1. We have reviewed the enclosed statement of Mission and Functions of the Office of Special Activities and feel that it is still a meaningful and accurate representation of our Mission and Functions.

2. With regard to OSI's comment concerning the phrase under paragraph (e), "evaluation of all source intelligence of enemy capabilities in air defense", we would propose the following to be inserted in its place: "evaluation for OSA operational requirements of all source intelligence of enemy capabilities in air defense."
